At a glance

Every Avistrata organization can get its own **referral code** and sign-up link. New organizations that sign up with it are credited to you, and the page shows any **offer** they get and any **reward** you earn.

Get your referral code

1. Open **Manage Organization** → **Billing**.
2. Find the card **Refer another operator** and click **Get our referral code**. You only do this once.
3. Your code and sign-up link appear. Click **Copy link** to share it by email, text or social media.

How the person you refer uses it

- **With your link:** the code is filled in for them when they start a free trial.
- **With your code:** they type it in **Discount or referral code** on the sign-up page.

Track your referrals

The same card lists every organization that signed up with your code and when. If an offer comes with your code, it's shown as "They get: ..."; if you earn a reward, it's shown as "You earn ...".

You see	What it means
Your code and link	Share either one; both credit the sign-up to you
They get: ...	The discount or offer for the organization you refer
You earn ...	Your reward for each referral, when your code has one
The code is switched off right now	Contact Leesburg Aviation to turn it back on
